Individuals, organizations, companies, and communities can be a part of the 19th NY Sephardic Film Festival by contributing at one of our sponsorship levels. Proceeds from the Festival will be used to advance our research mission.

Your donation is imperative now at a time of peril for our Sephardi heritage in many countries. The last physical remnants of Jewish life are being targeted for destruction and the last primary source generation is passing on. Our Diarna Geo-Museum researchers race against time to digitally preserve synagogues, cemeteries, schools, shrines and other structures before even the memory of once vibrant Jewish communities in Iraq, Syria, Libya, Yemen and other countries are forever lost.

This legacy depends on you.
